Hi Folk

Today we have a gorgeous Andamooka Opal & Matrix polished stone which would make a super pendant. It weighs 144cts and measures approximately 6.5cm x 4cm x 1.5cm at it's thickest point. It has some beautiful blues and very bright green fire. If your clever you can see a horse head and dog on one side of the piece, it's a terrific talking piece.

We have included several opal chokers with clasps, ready to be worn. These are soooo sweet.

Also included are a few Marbles not drilled for all you marble enthusiasts out there.

We hope you enjoy our Offer and we look forward to hearing back from you.

Remember we do payment plans, don't forget to ask.

Heather
