Hi Folk

We have some stunning Boulder Opal Horse Heads both drilled and non drilled to share with you today. The drilled horse heads are top drilled between the ears, ready for setting and the non drilled horse heads could be set on black onyx as statues, wire wrapped or set as brooches & pendants. These are all hand carved and are 'one of a kind' with no two alike.

Be quick to put your name on one of these beauties. Three have been sold before we have even had a chance to take all of their photos.

These will make excellent Christmas presents if posted immediately.

Just send us a quick email with your order.

We take Visa/Mastercard/AMEX and PayPal.

We look forward to hearing from you.

Kind regards.

Heather
