Subject: Coober Pedy #2 OFFER 12 Aug 2010

Continued.....

The Coober Pedy Greens and Golds at \$700/oz are fantastic, if the 1.53oz is too much for you let us know and we will make you up a smaller parcel from the rest of the parcel.

The Shell Patch "skin to skin" Reds Greens & Golds 1.15oz for only \$1,800/oz is another favourite, it is just "skin to skin", there is hardly a skeric of waste in that ounce.

We thank you for shopping with us and we look forward to hearing back with your order/s.

Best wishes.

Regards

Murray
