Subject: **Magnificent Dark Base Loose Beads OFFER 2 Aug 2010**

Hi folk

This week we have some unique dark base beads which are magnificent, the best we have ever had in dark base. We do have some rough to cut more if required.

We have included a photo of the beads strung but we have already split the strand and have since sold a few.

The bead number starts from #1 which is the top left bead our first photo.

These groups of beads would make incredible matching sets - focal bead and pair earrings:

We thank you for shopping with us and we look forward to hearing back with your order/s.

Regards

Murray
