Subject: Loose Round & Freeform Bead OFFER 24 Aug 2010

Hi folk

This week we have an assortment of round and freeform beads to show you from as little as \$5.35 per bead and upwards.

We have taken the liberty of selecting/photographing the two best pairs of beads IMG_9960 and IMG_9955 from the beautiful Lambina 145ct strand (item #29 DSCN3290 below) which would make exquisite earrings for only \$100 each pair. The remaining beads we are offering for sale individually, as pairs or alternatively the strand as a whole for \$850.

We have received an email from one of our happy customers which we would like to share with you today:

Hi Murray,

My beads arrived last night - they are absolutely beautiful, I adore the colour and glow/iridescence in them! Thank you for helping to select them for me and for working with me on the payment plan. It was a great buy, you're right and I can't wait to get them strung and start wearing them!

Thanks again,

Best,

Happy Customer

We love hearing your comments and seeing photographs of your creations, so please keep them coming. We are here to help you in every way we can to select and purchase opal beads for you to love and cherish.

We thank you for shopping with us and look forward to hearing from you soon.

Regards

Heather
