Hi folk

This week we have the pleasure of showing you some sensational Mintubi parcels.

IMG_0197 is an interesting double sided Picture Stone for only \$528 with outstanding reds, greens, golds & blues on one side and beautiful greens reds & golds on the other, a different pattern each side. It could be mounted on a stand as a specimen and would look just amazing.

IMG_4914 Mintubi Dark Base is an outstanding striped stone with every colour you could wish for. This is one stone you should make a priority but don't dilly dally or it will be snapped up. It is approximately 45mm x 25mm x 15mm thick.

Remember we take payment plans, don't forget to ask.

Best wishes.

Regards

Murray
