Subject: Rough OFFER 1 Nov 2011

Hi folk

Today we have a variety of rough material to offer you from opalised shells to natural quartz.

Terrific value is the Southern Cross Reds & Greens stone IMG_9783 \$400/oz 1.15oz. this stone is great for cutters, it's just about full colour and is like a potato you can cut a bit this way, that way or the other way and whichever way you cut it it is still looking at you. A professional would like it but even a beginner could cut some very beautiful and many solids out of this piece, it's only \$460 and I can highly recommend it to you.

We hope you enjoy our Offer and look forward to receiving your orders.

Best wishes.

Regards

Heather
