Subject: Sensational Bracelets & Carvings OFFER 10 Sep 2010

Good afternoon

This week we have some sensational opal bracelets and carvings in our offer.

These are a selection of favourites and we are very excited to share them with you.

The elegant Mintubi White Base Reds & Green 4-8mm round bracelet is just magic and unsurpassed if you love white opal rounds. It has very very bright reds and greens with every bead showing colour. If you want to purchase an heirloom you shouldn't pass this one up. Remember we take payment plans, don't forget to ask.

Another favourite is the gorgeous Boulder Turtle with gem head, neck & belly. He's a little heart stopper if ever I saw one.

We hope you enjoy our offer and hope to hear from you soon.

Regards

Heather
