**Subject: Tops Necklaces OFFER 9 Nov 2010**

Hi everyone

This week we have a number of gem strands from our tops materials to tempt you with. Each and everyone of these strands would be a treasure to own then kept as an heirloom to be handed down from generation to generation. These are true wonders of Mother Nature.

We do have a 10mm round Mosaic bracelet \$749 and pair 10mm round Mosaic loose beads suitable for earrings \$84 the pair to match the DSCN6199 Mosaic Gem Gem Gem Beads \$1,495. We also have in stock an 8mm round Mosaic strand for only \$1,450 if you prefer a smaller sized bead. These beads have been individually hand pieced. You can imagine the amount of time and effort put into each bead. These beads just take your breath away.

The bargain for the week would have to be IMG\_1767 Mintubi Gem 4-7mm round 58cts for \$2,320 one stone alone came from \$50,000/oz rough material.

If you were interested in a payment plan please don't hesitate to ask. There will be no interest, no account keeping fees plus terms of your own choice, subject to our approval naturally. What more could you need to secure the strand of your dreams?

We hope to hear from you soon.

Best wishes.

Heather
